Section 100.4 (dd) of the Standing Orders of The Regents grants the President execution authority with respect to contracts or grants.

Effective immediately, this authority is delegated to you for the exclusive purpose of signing the Designation of Applicant's Agent Resolution and Certification attached to each application submitted by your respective campuses to the Governor's Office of Emergency Services (OES) for consideration under the Hazard Mitigation Grant Program (HMGP). Any redelegation of the above authority shall be in writing with copies to the Senior Vice President--Business and Finance, the Vice President for Budget and the Special Assistant--Coordination & Review.
