Approval to Set Educational Placement Fees

CHANCELLORS

Delegation of Authority--Approval to Set Educational Placement Fees

Effective immediately, you are delegated authority for setting Educational Placement Fees. You are authorized, also, to establish the additional charge for each set of placement papers prepared. The amounts of such fees should be governed by the costs of service which may vary by campus.

This delegation replaces the Presidential policy statement on this matter which I issued on December 16, 1975.
