April 4, 1973

CHANCELLORS

Delegation of Authority—Deferral of Payment of University Registration Fee for Teaching Assistants

Each Chancellor is authorized to approve deferral of the payment of the University Registration Fee for forty calendar days for Teaching Assistants. Thus, the University Registration Fee need not be paid until after the Teaching Assistant has received his first payroll check.

This supersedes the delegation of April 29, 1966 concerning the Incidental Fee, and is effective immediately.

C. O. McCorkle, Jr.
