King Henderson
Materiel Manager

In a letter dated October 10, 1966 (DA 0124), the President delegated to each UC campus Chancellor the authority to sign all documents necessary in connection with each campus' use of tax-free alcohol used in labs.

With this memo, I hereby redelegate this authority for the Riverside campus to you, as the Materiel Manager.

This letter supersedes all previous delegations on the subject, and this authority may not be redelegated.

Sincerely,

Rosemary S. Schraer
