Delegation of Authority to Return Gifts

Section 100.4 of the Standing Orders of The Regents, Duties of the President, states that:

(v) The President is authorized, after consultation with the General Counsel, to return to the donor all or any unused portion of a gift of personal property, when the purposes of the gift have been fulfilled or fulfillment has become impossible or impracticable and when alternative uses are precluded.

The President’s authority is hereby delegated to you for gifts for which you have delegated authority; however, this delegation of authority does not abrogate your obligation to consult with the General Counsel as provided in Standing Order 100.4(v). In the case of a gift of real property that required approval from the President, Treasurer, and/or The Regents, the return of the gift is subject to the same approval requirements as applied when you accepted the gift.

This supersedes Delegation of Authority 0225 dated June 5, 1969.
