Samuel Tran  
Pharmacy Manager

**Re: Delegation of Authority – DEA Registration**

In accordance with U.S. Drug Enforcement Agency (“DEA”) regulations and UC [Bylaw 32](#), I as an officer of the University, have the authority to delegate DEA registration in the name of the University.

I hereby re-delegate to the Pharmacy Manager the authority to execute DEA Form 224 registration applications or renewals (of which DEA Form 224, if approved by the DEA, allows the Pharmacy Manager to order Schedule I and Schedule II controlled substances for patients of the Student Health Services pharmacy).

This re-delegation supersedes all previous re-delegations on the subject. This authority may not be further re-delegated.

Sincerely,
