Vice Chancellor--University Relations & Development
Vice Chancellor--Student Services

In the attached memo dated May 3, 1985 (DA 0864), the President delegated to Chancellors the authority to permit use of campus names (e.g., University of California, Riverside) and/or abbreviations (e.g., UCR), or any other name of which said designations or abbreviations are a part.

With this memo, I am redelegating to each of you in your respective areas of responsibility, the authority to permit the non-commercial use of the university's name by organizations and groups. This authority is outlined in Section B of the attached delegation.

This delegation is effective immediately and supersedes any previous delegations regarding the non-commercial use of the campus’ name by such groups. This delegation may not be further redelegated.

Sincerely,

Rosemary S.J. Schraer
Chancellor
