Implementation of the revised Personnel Policies for UC Staff Members (effective July 1, 1996) has caused me to re-examine our human resources procedures on campus and formally redelegate authority for various actions to the appropriate administrators. On the basis of the revised policies and subsequent formal delegations of authority from the President to Chancellors, I hereby redelegate the following authority to each of you, in your respective areas of responsibility.

- To adjust salaries upon promotion, upward reclassification, demotion, or downward reclassification (per UCOP delegation 2087).
- To approve administrative stipends for temporary assignments not to exceed the maximum salary of the higher level position when added to the base salary pursuant to Staff Policy 30.J, Administrative Stipend for Temporary Assignments (per UCOP delegation 2087).
- To determine the distribution of local incentive awards consistent with universitywide guidelines (per UCOP delegation 2087).
- To approve exceptions to the 25% maximum total annual salary increase limit for individual employees (per Staff Policy 30.I).
